

2010 Dinner Club Kick-off Party

When: Saturday, February 27, 2010, 7:00 p.m.

Hosts: Don and Arvilla Sanderson

Where: 7313 Ramblewood Drive

- Each couple is asked to bring an appetizer or dessert
- Dues - \$15 per couple--payable at party
- Dues cover cost of kick-off party; wine, other beverages, party goods, all costs related to Dinner Club. Any surplus is carried over to the next year which can reduce or eliminate dues.
- Monthly sign-up sheets (April-June-August-October) at party on first-come, first-served basis. We try to meet the first weekend of the month, but each host can poll their group--sometimes a different date is necessary.
- After we have final member numbers, calendars will be prepared listing the months, hosts and groups for each. A copy with a list of subs will be sent to each member.
- Hosts choose their own menu and furnish entree and beverage and assign sides to others. May be home made, store bought, you can go out, or provide entire meal. We're very flexible.

Since the dues primarily support the cost of the kick-off party, everyone attending will be charged; however, newcomers to the neighborhood may attend and then decide if they're interested in joining. If anyone has any questions, suggestions or other ideas, please feel free to contact me.

Dinner Club is a way to spend a relaxed evening with some neighbors four times year--each group chosen randomly, providing a different group each time; thus, affording an opportunity to visit with approximately 12 couples during the year that you may not see otherwise, and offering some neighborhood connection, even if on a limited basis. We have already had some positive response, but, hope more of you will join us to make Dinner Club the same success it has been in the past.

Please RSVP as soon as possible. Hopefully, we will have a tentative head count within the next couple of weeks. We will also send out another eBlast reminder before the kick-off party.

Thanks,

Arvilla Sanderson
